

Just For Tonight
Ville Valo

Am **C**
Too late, won't stop
 F
Tonight I want to go deeper
Am **C** **F**
Tomorrow takes it all away
Am **C**
Time's running out
 F
The night is only a shell

Am **C** **Cadd9**
Soon morning comes and breaks the spell
 G **Am**
To the yesterday, to a dream
 C **Cadd9**
Just for tonight, we'll keep on dancing
 G **Am**
And the city won't tell a soul
 C **Cadd9**
Just for tonight, the lights are shining
 G **Am**
And our secret stays untold

C - F

Am **C**
These streets are mine
 F
Tonight I'll keep on walking
Am **C** **F**
Won't stop as long as the city sleeps
Am **C**
Don't look back once
 F
Or you might turn around

Am **C** **Cadd9**
Tonight I'll give myself to you
 G **Am**
And our secret stays untold
