

**Lets Make Sure We Kiss Goodbye**  
**Vince Gill**

another smooth love song by Vince... sounds right to me

Artist: Vince Gill

Song title: Lets Make Sure We Kiss Goodbye

CAPO 1

intro    **D**       **Bm**    **Dsus**       **D**

**D**                    **Dsus**                    **A**  
Kiss me like you ll never see my face again

**G**            **A**                    **D**  
Soft and tender as you can

**D**                    **Dsus**                    **A**  
Hold me like we ll never make sweet love again

**G**                    **A**                    **D**  
Please make me feel like a man, oh

Chorus:

**D**                    **A**                    **D**                    **A**  
Let s send up a prayer for this love that we share

**D**                                    **A**        **Bm**  
Cause it could change in the blink of an eye

**D**                    **A**                    **D**        **A**  
No you just never know how tomorrow will go

**D**                                    **A**        **Bm**  
So lets make sure we kiss goodbye

**D**                    **A**                    **D**  
Oh lets make sure we kiss goodbye

**D**                    **Dsus**                    **A**  
Look at me just like the day we fell in love

**G**                    **A**                    **D**  
Found the missing pieces to our souls

**D**                    **Dsus**                    **A**  
You and me have always fit just like a glove

**G**                    **A**                    **D**  
Wherever you are feels like home, so

Chorus:

Lets send up a prayer for this love that we share

Cause it could change in the blink of an eye

No you just never know how tomorrow will go

So lets make sure we kiss goodbye

Oh lets make sure we kiss goodbye
