A whimsical what if song; you can slow this song down to almost a stop without losing the song's thread. Sounds HUGE soloed on a twelve string - bring all your finger tricks. Good luck and have fun with it!! Any hints or suggestions gladly received at my email address gibsonglenn@hotmail.com

Verse 1...

A7 **D**
A month of nights, a year of days,

A7 **G**
Octobers drifting into Mays,

A7 **D**
I set my sail as the tide comes in

G A7 D G A7 G D G A7
And I just cast my fate to the wind.

Verse 2...

A7 **D**
I shift my course along the breeze,

A7 **G**
Won't sail upwind on memories,

A7 **D**
The empty sky is my best friend,

G A7 D G A7 G D G A7
And I just cast my fate to the wind.

Bridge...

A D G
Time has such a way of changing
