

**Sick Love**  
**Vince Kidd**

These are the chords for Vince Kidd s Sick Love. This is the first version of the song, without Lady Leshurr, and it s kinda complicated. Let me know if you want me to do an easier version, but I think this way sounds the best. I arranged the chords by myself so, please, if you use this, give me credit. :) Here we go! (Tell me if you like how it sounds like :D )
