```
F          Fm                       C#
Lay down, let me let you in my mind
                   Bb              Bbm
I m a freak inside, I m like fire
       F                     G#m
I mma burn you out, out, o-o-o-out
```

```
F                                C#
Follow, follow me all the way home
             Bb
Come on no postpone
        Bbm                  F
Take a breath, let s get blown
```

(Taboo!)

```
                              C#
You already got a lover but it s all cool
     Bb                            Bbm
We ll keep it undercover, keep it old school
      F                          C#
I ll fuck you like no other, forget the rules
```

```
          Bbm
I ll break every taboo, every taboo
                      Fm      C#
The things I m gonna do to you
               Bb          Bbm
Your mamma would disapprove
                      F     C#
The things I m gonna do to you
          Bbm
I ll break every taboo, every taboo
```

```
F
(Taboo!)
```

```
                              C#
```

```
I m not talking about being rough
                            Bb
Sometimes that just ain t enough
        Bbm                    F          G#
Come on, lose it, come on, lose my mind mmmmind

F                              C#
We can, we can treat it like a game
                      Bbm
We can even change our names
                        F
I can be pleasure, you can be pain pain pain pain

                                  C#
You already got a lover but it s all cool
      Bbm
I ll keep it undercover, keep it old school
      F                           C#
I ll fuck you like no other, forget the rules

            Bbm
I ll break every taboo, every taboo
                      F      C#
The things I m gonna do to you
                Bb           Bbm
Your mamma would disapprove
                    F      C#
The things I m gonna do to you
          Bbm
I ll break every taboo, every taboo

  F
(HA! Taboo!)

G# - F - F# - F - G#m - Fm - F#m (1x per chord)

      F                    G#
You remind me of Rihanna, Alabama Slammer
Fm                               F#m
Let me peel your clother off, like you are a banana
F                          G#
Gonna run this town, gonna suck each other out
Fm                              F#m
We gon  break every taboo until it breaks down
F           G#            F    G#
(Break down,  break down)

      F                           C#
You already got a lover but it s all cool
      C#
I ll keep it undercover, keep it old school
      F                           C#
I ll fuck you like no other, forget the rules
```

```
          Bbm             Bb
I ll break every taboo, every taboo
                        F      C#
The things I m gonna do to you

              Bb            Bbm
Your mamma would disapprove
                        F      C#
The things I m gonna do to you
          Bbm             Bb
I ll break every taboo, every taboo

  B
(TABOO!)
