I m bought back
I m bought back from my sin
I m bought back from my shame
I m bought back from the grave
I m bought back from the flames

Was left to die in the waste of my life

But I m back

I m bought back
I m bought back
I m bought back by the Son
I m bought back at the cross
I m bought back in his blood
I m bought back at his cost
Yes, I m back
I m bought back
Was left to die in the waste of my life
But I m back
