[Bridge]

**Cm**  
You know I often break down and try to listen

**Cm**  
Not proud of my decisions

**Cm**  
Not proud of my decisions, no

**Cm**  
You know I walk a thin line but it s hidden

**Cm**  
I stumble on the mission

**Cm**  
Not proud of my decisions, no

**Cm**  
You know it s hard to be the one who s always searching for words

**Cm**  
To give me comfort and songs to give me purpose

**Cm**  
You know I often break down and try to listen  
**Cm**  
Not proud of my decisions  
**Cm**  
Pr-proud of my decisions, no  
**Cm**  
You know I walk a thin line but it s hidden  
**Cm**  
I stumble on the mission  
**Cm**  
Not proud of my decisions, no  
**Cm**  
You know it s hard to be the one who s always searching for words  
**Cm**  
To give me comfort and songs to give me purpose  
**Cm**  
I m watching, I m thinking  
**Cm**  
But what if I keep sinking?  
**Cm**  
I could try to stay awake or I could end it all today  
**Cm**  
If I could just be heard  
**Cm**  
A second, no a minute  
**Cm**  
I couldn t stay if I wanted to stay  
**Cm**  
So I fought hard to say what s hard to contain

[Interlude]
