and I m breezing in and out.

Chorus

Flow, let it flow.
It s just so mellow under my pillow.
It s just so mellow I m surrounded by pillows.

I m a little out of sleep.
Just me come to call
With my frozen teeth and melted lips.
I will come and run to meet the sun
when my songs for the morning

with my peace and my yearning.

Beneath the streaming through the trees.
Clouds are great pillows
Floating so grandly above the trees

So I kill everything.
