

Waiting For The Bus
Violent Femmes

ok, this is my 1st bass tab. this song has a good bass part, but i haven t found any postings for it, so i decided to figure it out myself. i m pretty sure about most of this. it s a pretty easy song, and it s a bit repetitive. listen to the song for the timing.

Part 1:

```
-0---0----- ]  
-----0-2h4-2----- ] repeat 6 times  
----- ]  
----- ]
```

Part 2 walkdown:

```
-0-----  
---3h2---  
-----  
-----
```

Part 2:

this part comes after standing by the corner, waiting for the bus..

```
-----0--2-0-----0--2-0-----  
---2-----2-----0--2-0-----  
-3-----3-----2-----2-  
-----3-----3-----  
  
-----0--2-0-----0-----  
-0h2-0-----2-----2-----2-  
-----3h2-0--3-----3-----  
-----
```

* Part 3 walkdown:

my precious time keeps slipping past..

```
-----  
-0-----0-----0-----  
-----3--2--0-  
-----
```

Part 3:

```
----- ]  
-----0--2-0- ] repeat 6 times  
---2----- ]  
-3----- ]
```

* another Part 1 walkdown:

the damn city bus moves so slow

```
-----0-----  
-----3--2--0---
```

-----3-----3-----

do Part 1 again
then do Part 3 walkdown
then there s a part with just drums & talking..

Part 4 walkdown:
after will you please open up the back door?
-0-----
----3--2--0-

Part 4:
-----0--2-0-----0--2-0-----
----2-----2-----0--2-0-----0--2-0-
-3-----3-----2-----2-----
-----3-----3-----

*Part 5:
you got the mother and the kids
E-----3-2--3
you got the guy and his date
E-----3-2--3
we all get mad
E-----3-2--3
we all get laid
E-----3-2--3
looks like somebody
E-----3-2--3
forgot about us
E-----3-2--3
standin on the corner, waiting for the bus
-0-----0-----
-----3-----3-2-----2-0--

do Part 1 again

* Ending:
my precious time keeps slipping past

-----0-----
-5-----4-5-----3--2--0-----
-----3-----

the rythm of the lines with the * in front of them are matched up with the words

mail me (*) if you have any comments or complaints, and sorry if the tab is too confusing.. i m too tired to look it over:)
