**Em Em/A B5 G5**  
Lifestorm broke my anchors  
**D5 A5**  
And like a wreck I ve been  
**B5 B5 G5**  
Sea and sky were just one darkness  
**D5 A5 B5**  
Such a brilliant radiance you came

I m alive, I m alive  
Just by the light  
From your eyes

**D5 G5 D5 A5**  
And I need you to be  
**D5 G5 D5 A5 G5**  
Like the haven I seek  
**F#5 G5 F5 Em**  
But clouds showed me  
**G5 F#5 Em**  
And I saw

**Em F5 Em D#5 Em**  
You were just the moonlight

And the moon belongs to  
**Em**  
No one
