E5                G5                A5  A5  C5  D5
Sunlight into the end and dark breed a new day
E5                G5                A5  A5  C5  D5
Now we ll prepare our lives to keep eager our faith
E5                G5                A5  A5  C5  D5
Soldiers of metal walking through the frozen souls
E5                G5                C5
Showing the rage to set our flag into this world

```

B5

So we fight!

```

DIE
D5                A5                B5
Soldiers that don t fight to win
HATE
G5                D5                B5
Flowing in my veins to destroy
TIME
D5                A5                B5
Time to the battle begin
DEATH
G5  D5
We are it

C5    D5                D#5                E5
Fast we ride we re Soldiers of Sunrise
A5    G5    D5
Run and win the world

```

C5            D5            D#5            E5  
 Strong we fight we re Soldiers of Sunrise  
 A5                    G5                    B5  
 Break the chains of all the time tonight

E5                            G5                            A5    C5 D5  
 Masters of reason make mistakes and you take the blame  
 E5                            G5                            A5    C5 D5  
 The truth was made only to serve who have more age  
 E5                            G5                            A5    C5 D5  
 But the rebellion comes today when we re united  
 E5    G5    C5  
 To break the rules and chains that don t let us have rights

B5  
 FIGHT!  
 DIE  
 D5                    A5                    B5  
 Soldiers that don t fight to win

Solo

E5                                    G5                                    A5                                    C5 D5  
Now we are millions we are united by our hearts  
E5                                    G5                                    A5                                    C5 D5  
Our sun will always bright when we ll be in the dark  
E5                                    G5                                    A5                                    C5 D5  
We fight for metal and the sunrise is our sign  
E5                                    G5                                    C5  
To start of the whole end with the force that we have found

B5  
FIGHT!  
DIE
