

If I See You Tomorrow  
Vira Talisa

[Intro]

A B G#m C#

[Verse 1]

          A                          B  
If I see you tomorrow  
          G#m                          C#  
will the birds still sing like  
                          A  
the way they do  
          B          G#m          C#  
to greet me this morning

[Verse 2]

          A                          B  
If I see you tomorrow  
          G#m                          C#  
will the wind blow softly like  
                          A  
the way they do  
          B                          G#m          C#  
to wash my worries away

[Refrain]

          A                          B  
Will the crickets in the leaves  
          G#m                          C#  
make the same crackly song  
          A                          B  
will the fireflies go blinking  
          G#m                          C#  
to the shimmering star

          A  
Will you look at me  
          B                          G#m          C#  
the way you did last night  
                          A  
when you were here  
          B  
by my side

[Interlude]

A B G#m C# 4x

[Refrain ]

          A                          B

Will the crickets in the leaves  
          **G#m**                  **C#**  
make the same crackly song  
          **A**                  **B**  
will the fireflies go blinking  
          **G#m**                  **C#**  
to the shimmering star

**A**  
Will you look at me  
          **B**                  **G#m**          **C#**  
the way you did last night  
                  **A**  
when you were here  
          **B**  
by my side
