

Arms Of Mercury
Virgin Steele

Am **Dm**
I raise my head, I close my eyes
Am **Dm**
The statue stares the apparition smiles
C G Dm Am
Am I here living in mystery
C G D
to the last When all Gods must die
C G Dm Am
I am yours, pain lives inside of me
C G D Am
To the end when the final rain must fall, away.

Am **Dm**
I raise my head I say farewell
Am **Dm**
The solemn fears come and crystallize
C G Dm Am
Blackened eyes, shadows of misery
C G D
To the end when all Gods must die
C G Dm Am
I am yours, death walks inside of me.
C G D Am
For the last, for my requiem, again

Chorus

C G Am Em
I fear the arms of Mercury surround me
F E
From the corners of the world, I say goodbye
C G Am Em
I know the end is coming soon
F E
From the Margent of the world, I say farewell

Am F C G Am
I know the pain that I ve caused (Yes I know)
F C G
I know the lives that were lost,

Am Am/G#
in this dark time The eyes deny
Am/G Dsus2
to wash all this blood from my hands

F

Em

Am

In the end will we all pay this price
