```

D5                 F5                 G5
Have you read the papers and heard the s**t they say?
D5                 F5                 G5
Everything I don t want to know, will we be blown away?
D5                 F5                 G5
See, nothing really matters just who is f**king who
D5                 F5                 G5
Nothing that affects our lives, nothing about me or you

```

chorus:

```

D5
Biased f**king bulls**t
F5         G5
No I don t give a s**t
D5
Celebrity f**king Gossip
F5         G5
You are full of it
D5
Right wing propaganda
F5         G5
You give me f**king doubt
D5

```
