Lyrics:

Boys hanging out at night
But we ain t living our lives just right
Living my life with out a care
Leopard print and tattered, tattered hair

Because what you don t get you will never know
I m living my life like a T.V. show

Forgotten rebel just like a razor blade
I ll cut through you in my tirade

Eyes behind my head I feel you re glare
Reflection in the glass, I feel you re stare
The spark to my fuse, you light the match
Cause there ain t no survivors in the aftermath

Because what you don t get you will never know
I m living my life like a T.V. show
Forgotten rebel just like a razor blade
I ll cut through you in my tirade

Boys hanging out at night
But we ain t living our lives just right
Living my life with out a care
Leopard print and tattered, tattered hair

Because what you don t get you will never know
I m living my life like a T.V. show
Forgotten rebel just like a razor blade
I ll cut through you in my tirade
