VITA AND THE WOOLF - MARY
STANDARD TUNING
NO CAPO

[Intro]

A D

[Verse 1]

A **D**
My dancing days are gone

A **D**
I remember way back that long

A **D**
When the cheerleaders would smile and kiss and laugh

A **D**
Cause I was their superstar hanging from a flash

A
And I honestly thought

D
Champagne and glitter would float in the lights

[Pre-Chorus]

D
Of the stage where I stood

D
Didn't behave

D
All because of Mary there

[Chorus]

A **D** **E**
My dancing days are gone

F#m **D**
Even though Mary held my hand

A **D** **E**
My dancing days are gone

F#m **D**
Even though Mary held my hand

[Verse 2]

A **D**

A

D

To the darkest light of all these hurt tears

Into a bloody mess of hurt tears and torn dreams

Never behaved

All because of Mary there
