

Bm F#
Come whatever,
G D G A
We will still be friends forever

[Verse]

D A
So if we get the big jobs and we make the big money
Bm F#
When we look back now will our jokes still be funny?
G D
Will we still remember everything what we learned in school
G A
Still be trying to break every single rule?
D A
Will little brainy Bobby be the stockbroker man?
Bm F#
Will Heather find a job that won't interfere with her tan?
G D
I keep - keep thinking that it's not goodbye
G A
Keep on thinking it's our time to fly

And this is how it feels...

[Chorus]

D A Bm F#
As we go on, we remember
G D G A
All the times we had together
D A
And as our lives change
Bm F#
Come whatever,
G D G A
We will still be friends forever

La la la la la la la...
(We will still be friends forever)

[Verse]

D A
We think about tomorrow like we think about now?
Bm
Can we survive it out there?
F#
Can we make it somehow?
G D
I guess I thought that this would never end
G A
And suddenly it's like we're women and men

Will the past be a shadow that will follow us around
