Verse 1:

=====

Gm

Conceal your deepest worries, confine your thoughts

Eb

D

Inside the walls you built of damaged pride

Gm

The light in your eyes failing like you re adrift

Eb

D

Like night pretending to be day. These storms subside.

Chorus:

=====

Bb

F

Bb

Though the past the unwanted memories are holding onto you.

F

Bb

All the power in the universe conspires to carry you.

F

Truth you find through your adversities will defend you

Bb

F

Gm

As your powers and all your energies conspire to carry you.

(Part I)

Verse 2:

=====

Gm

The adversary of your soul, the blackest thoughts

Eb

D

That try to poison you. These storms subside.

**Gm**

Lay down your greatest burden. Relinquish that  
**Eb** **D**  
which has control of you and let yourself through

(Chorus)

(Part I) 3x
