

From My Hands  
VNV Nation

Intro:  
=====

C	F	C	Fmaj7
C	F	G	C

Verse 1:  
=====

C	F
So much I thought, I d have to say	
Dm	Am
though I try to speak, my meaning strays	
Fmaj7	Dm
We can t avoid the facts that brought us here	
G	C
I have come to say goodbye	

Verse 2:  
=====

C	F
The lies I try to tell with my own eyes	
Dm	Am
An act of pride, a wilful compromise	
Fmaj7	Dm
Please understand how torn I am	
G	C
when I walk away from here	

Verse 3:  
=====

C	F
I lament the moments we won t share	
Dm	Am
If I am far too sentimental, I apologise	
Fmaj7	Dm
Please understand, this is who I am	
G	C
and who I ll still be when I ve walked away from here	

Bridge:  
=====

F	G
You know - I am not unkind,	
Em	Am
when I say: in the future, the past is just the past	
F	G
No going back, no change of heart	

**C**          **G/(Em)**          **C/(Am)**  
But this is now. Time will not defer

**G**

Verse 4:

=====

**C**                                  **F**  
My thoughts betray, so easily confess,  
                  **Dm**                                  **Am**  
how long I ll wait here after you have gone  
                  **Fmaj7**                                  **Dm**  
Nothing ends but I don t believe that now  
                  **G**                                  **C**  
Please don t walk away from here

Verse 5:

=====

**C**                                  **F**  
When alone, when I remember days,  
                  **Dm**                                  **Am**  
nothing will change a single fact of who you were to me  
                  **Fmaj7**                                  **Dm**  
Oh, come what may, forever to the end  
                  **G**                                  **C**  
I find it so hard to let you go

Outro:

=====

**F**                                  **G**  
Hush now, Let it go now  
                  **Em**                                  **Am**  
There s no need for sad goodbyes  
**F**                                  **G**  
Hush now, Let it go now  
          **C**                  **G/(Em)**          **C/(Am)**  
I know it s time to go  
**G**                                  **C**  
Time to let this fall from my hands
