Verse 1:

=====

E A E
I think back up upon the person I knew you to be
E A E
Righted the wrongs in the name of all you believed
A E B E
The one who brought the fight who never said die
A E B
Never letting fate decide.

Verse 2:

=====

E A E
Be all you hope for you were the best you could be
E A E
Offered in tribute all that you had achieved
A E B E
No time for words from those with nothing to say
A E B
Never letting fate decide

Chorus:

=====

A E B
Until the end and back again. Defiant to the last man.
A E B
'Til there s nothing left to fight against. No surrender.
A E B
Unto the corners of the earth. Defiant to the last breath.
A E B
Until there s none left standing. No surrender.

Verse 3:

=====

E A E
Conjured the ground upon which you firmly stood
E A E
Buried the conflicts that had played on your mind
A E B E
Found strengths in actions that only courage achieves
A E B

Never letting fate decide
