Intro: Cm Cm Cm Ab
Cm Ab G7 Cm

Verse 1:
=====

Cm
Praying for myself. These thoughts I try to hide.
G7
I have faith in me and hope this will survive.
Ab Cm
But it s tearing me apart. I can t hear the words by which I guide.
G7 Cm
So I must ask again who will carry me.

Verse 2:
=====

Cm
I cannot deny that nothing can defend
G7
from the helplessness that s cutting deep inside,
Ab Cm
and I can t prevent the thought that nothing s real.
G7 Cm
Seems I m waiting years for this day to end.

Verse 3:
=====

Cm
The strength I need to feel, the pride inside of me,
G7
Are not there behind the face that s staring back at me.
Ab Cm
The anger and the pain of knowing where I am.
G7 Cm
I have come so far and I cannot return.

Chorus:
=====

Ab Cm
Nothing I can do that I have not done.
G7
No words I can say. No truth left that I can see.
Ab Cm
So must I let this end so everything falls apart.

G7

Cm

Before I live the life as I have always done.

Ab

Cm

Tell me what to do so I do nothing wrong.

Ab

Cm

Something I can hope for. Something real that I can see.

Ab

Cm

So nothing falls apart. So that it does not end.

G7

Cm

I cannot return. I can't start again.
