

One Day Soon

Vocal Few

This is if you play it in Standard Tuning. If you want to play it one half step down, the way he usually plays in the Classic Crime, use the fancy transpose thingy to bump everything up a half-step. My first time, so more constructive criticism than flames :D

Eb **Gm**
I watch her breathing while she sleeps
Eb **Gm**
And then a feeling buries me
C **F**
Iâ€™d die to see her walk to me
Gm
To smile in disbelief
Eb
At the ground beneath her feet
Eb **Gm**(up tempo)
She cracks a smile and shows her teeth
Eb **Gm**
Itâ€™s been a year, she looks like me
Cm **F**
Iâ€™d die to teach her how to pray
Gm
To give to God each day
Eb
To know it when I say
Bb **Eb**
Youâ€™ll never be alone
Bb **Eb**
Youâ€™ll never be alone
Gm **Eb**
Even after all of your innocence is gone
Bb **Eb**
Youâ€™ll never be alone
Eb
One day soon sheâ€™ll say
Gm **Eb** **G**
Daddy, I love a boy and he loves me
Cm **F**
And Iâ€™ll watch her leave and then Iâ€™ll pray
Gm
And give to God that day
Eb
And hope her heart is safe
Eb **Gm**
A few weeks later sheâ€™ll come home

Eb **Gm**
 Crying that boy had let her go
Cm **C** **Cm** **F**
 He wasnâ€™t ready yet to be
Gm
 The kind of man she needs
F **Gm** **Eb**
 So I hold her close and sing, softly
Bb **Eb**
 Youâ€™ll never be alone
Bb **Eb**
 Youâ€™ll never be alone
Gm **Eb**
 Even as your heart is breaking donâ€™t lose hope
Bb **Eb**
 Youâ€™ll never be alone

Gm **F** **Bb** **Eb** **Cm** **Gm** **F**

Eb **Gm**
 One day soon, sheâ€™ll walk the aisle
Eb **Gm**
 My little girl, my precious child
Ab **GM** **Cm** **Eb** **F**
 Beautiful woman, veiled and sweet
Gm
 Iâ€™ll smile in disbelief
Fb **Bb** **Eb**
 As the tears roll down my cheek
F
 And then Iâ€™ll whisper, softly
Bb **Eb**
 Youâ€™ll never be alone
Bb **Eb**
 Youâ€™ll never be alone
F **Gm** **Bb** **Eb**
 Even after God calls both your parents home
Bb **Eb**
 Youâ€™ll never be alone
