

Perfect Place
Voice of the Beehive

D

D

We are all together alone

G

And these are just wishes

A

And I am just dreaming

D

G

If I ever grow up I will take care of the old

A

D

And all the babies that have no one

G

You might think I give myself

A

Too much credit but I am just dreaming

G

A

Cause not much is sacred

D

G

There s not really much to do here any more

A

I don t feel like you said

D

G

A

I walk the earth my darling but I never feel at home

And we all say

D

G

A

D

I will change tomorrow(This could be a perfect place)

G

A

D

I will change(This could be a perfect place)

G

A

D

I will change tomorrow(This could be a perfect place)

G

A

I will change it all tomorrow

D

G

I will assure all of the husbands

A

Who are guilty and the wives who feel useless

D

I will nurse all of the black and blue babies

G

With their unhappy parents

A

Who had unhappy parents

D And I will assure all of the boys who feel awkward

A

And the girls who feel clumsy

D

And I will walk alongside the old man

G

A

Who feels so alone as everyone rushes by him

G

A

Cause not much is sacred

D

G

There s not really much to do here any more
