

Im So Lonesome I Could Cry
Volbeat

Volbeat - I m So Lonesome I Could Cry

Bb

Hear the lonesome whippoorwill

He sounds too blue to fly

Eb

Bb

The midnight train is whining low

F

Bb

I m So Lonesome I Could Cry

Bb

I never seen a night so long

When times goes crawling by

Eb

Bb

The moon just went behind a cloud

F

Bb

To hide it s face and cry

Ref.:

G

Well maybe the night is cold

C

But together they fade

F

Like the shadow that ran up to the hills

Bb

Trying to fix her wings

G

There s a saint and a sinner

C

And forever the missing day

F

Where the winners and the losers feel the same

Bb

Who knows what tomorrow brings

Bb

Did you ever see a robin weep

When leaves begin to die

Eb

Bb

That means he s lost the will to live

F

Bb

I m So Lonesome I Could Cry

Bb

The silence of a falling star

Lights a purple sky

Eb

Bb

And so I wonder where you are

F

Bb

I m So Lonesome I Could Cry

Ref.:

G

Well maybe the night is cold

C

But together they fade

F

Like the shadow that ran up to the hills

Bb

Trying to fix her wings

G

There s a saint and a sinner

C

And forever the missing day

F

Where the winners and the losers feel the same

Bb

Who knows what tomorrow brings

Bb

Hear the lonesome whippoorwill

He sounds too blue to fly

Eb

Bb

The midnight train is whining low

F
