

Im So Lonesome I Could Cry
Volbeat

Volbeat - I m So Lonesome I Could Cry

G#

Hear the lonesome whippoorwill

He sounds too blue to fly

C#

G#

The midnight train is whining low

Eb

G#

I m So Lonesome I Could Cry

G#

I never seen a night so long

When times goes crawling by

C#

G#

The moon just went behind a cloud

Eb

G#

To hide it s face and cry

Ref.:

F

Well maybe the night is cold

Bb

But together they fade

Eb

Like the shadow that ran up to the hills

G#

Trying to fix her wings

F

There s a saint and a sinner

Bb

And forever the missing day

Eb

Where the winners and the losers feel the same

G#

Who knows what tomorrow brings

G#

Did you ever see a robin weep

When leaves begin to die

C#

G#

That means he s lost the will to live

Eb

G#

I m So Lonesome I Could Cry

G#

The silence of a falling star

Lights a purple sky

C#

G#

And so I wonder where you are

Eb

G#

I m So Lonesome I Could Cry

Ref.:

F

Well maybe the night is cold

Bb

But together they fade

Eb

Like the shadow that ran up to the hills

G#

Trying to fix her wings

F

There s a saint and a sinner

Bb

And forever the missing day

Eb

Where the winners and the losers feel the same

G#

Who knows what tomorrow brings

G#

Hear the lonesome whippoorwill

He sounds too blue to fly

C#

G#

The midnight train is whining low

Eb

G#
