[Verse]

**C** **Am**  
Saturday I love you like gold  
**Dm** **G**  
Not like the Monday, you pass like a ghost  
**C** **Am**  
The fire killed you like a motherless child  
**Dm** **G**  
I saw you last Sunday at Barbara Hotel...  
**C** **Am** **Dm** **G**  
Oh oh oh oh oh- oh babe I m so sorry, I know where to go...

**C** **Am**  
Could scream like a pig, Could bark like a dog  
**Dm** **G**  
Just to get attention as I m chasing you down the hall  
**C** **Am**  
Oh Maybelenne you ve been so lonely  
**Dm** **G**  
Got a fire burning as I m smoking you out again...  
**C** **Am**  
Still all the leaves will keep on falling  
**Dm** **G**  
Until I see you dancing on the table 45 again

[Chorus]

**F** **C**  
(I) see you dancing for the young ones oh oh oh  
**F** **C**  
Maybellene I Hofteholder

Could you be the only one

Well I beg you to come home

Dance forever my only one
