

**Thanks
Volbeat**

A

We thank you people for being around

D

Supporting Volbeat with love and hell fire

E

Gu fanden do we care

A ,E

You re all our brothers, sisters and our babies

ohhh...

A ,D ,E

Going out on the street again with open arms and fists

Sweating out all the whiskey tommermaend

And the pain that comes with it

But we know who we are and more

Protectors of this band - oh oh oh oh

And we know we re not alone anymore

We got supporters in this rock n roll band

--

CHORUS:

D **E** **A**
This song s for all the ones who s singing out loud

D
Yeah! We make a lot of noise

E **A**
Refuse to sit down and be tamed

D **E**
We still think that we owe you some

A **D**
So we re making a lot of noise

D **E** **A**
We sing it out loud we sing it out proud

A,D,E

Sacrificing all the things that we had

Just to do this thing

Not even money for some glue

So we hang all the posters up with jam

But we know who we are and more

Protectors of this band - oh oh oh oh
And we know we re not alone anymore
We got supporters in this rock n roll band

CHORUS

We thank you people for being around
Supporting Volbeat with love and hell fire
Gu fanden do we care
You re all our brothers, sisters and our babies
So when you sing this song out loud
Remember it s for you, for helvede we are proud
Let s all have a beer you re all our brothers, sisters and our babies

CHORUS

--> END
