Volbeat

-INTRO-

D D

D It s good to be here, long time no see my dear **Bm**

I took the run out to the road to find a way **G**

But the loneliness broke into tears **A**

ohohoh

D

I believe I was wrong but baby

Now I know your love is not a thing **Bm**

You throw out in the cold and walked away **G**

I m so sorry, please say you forgive **A**

D

ohohohoh

-BRIDGE-

D Bm G A

Ohohohohohohoh.....

-VERSE- (Note: I only play the base note of F#m)

D

Close your eyes baby and lend me your finger

G Together we walk out as one..... **G (F#m) Em**

No lonely nights, broken promises or **A**
fights will return anymore

D

I remember a time I believed I was fine

G But inside my heart broke down in two..... **G (F#m) Em**

Something inside starts **A**
to burn like a fire and I knew it was you

-CHORUS- (Note: I only play the base note of F#m)

G **A**
We re broken and damned
D **Bm**
But together we ll find a way
G **A**
And no longer shall hell await
Bm **G** **G (F#m)** **G**
We will seek all the light in the day
A
Cause forever our love will breathe

-BRIDGE-

D Bm G A
Ohohohohohohoh.....

-VERSE-

Close your eyes baby and lend me your finger
Together we walk out as one
No lonely nights, broken promises or fights will
Return anymore

I remember a time I believed I was fine
But inside my heart broke down in two
Something inside starts to burn like a fire
And I knew it was you

-CHORUS-
(play as above)

We re broken and damned
But together we ll find a way
And no longer shall hell await
We will seek all the light in the day
Cause forever our love will breathe

-SOLO-
