

We  
Volbeat

-INTRO-

**Eb Eb**

**Eb Cm**  
It s good to be here, long time no see my dear

**G#**  
I took the run out to the road to find a way

**Bb**  
But the loneliness broke into tears

ohohoh

**Eb**  
I believe I was wrong but baby

**Cm**  
Now I know your love is not a thing

**G#**  
You throw out in the cold and walked away

**Bb**  
I m so sorry, please say you forgive

**Eb**  
ohohohoh

-BRIDGE-

**Eb Cm G# Bb**

Ohohohohohohoh.....

-VERSE- (Note: I only play the base note of F#m)

**Eb**  
Close your eyes baby and lend me your finger

**G# G# (F#m) Fm**  
Together we walk out as one..... No lonely nights, broken promises or

**Bb**  
fights will return anymore

**Eb**  
I remember a time I believed I was fine

**G# G# (F#m) Fm**  
But inside my heart broke down in two.....Something inside starts

**Bb**  
to burn like a fire and I knew it was you

-CHORUS- (Note: I only play the base note of F#m)

**G#** **Bb**  
We re broken and damned  
**Eb** **Cm**  
But together we ll find a way  
**G#** **Bb**  
And no longer shall hell await  
**Cm** **G#** **G# (F#m)** **G#**  
We will seek all the light in the day  
**Bb**  
Cause forever our love will breathe

-BRIDGE-

**Eb Cm G# Bb**  
Ohohohohohoh.....

-VERSE-

(play as above)

Close your eyes baby and lend me your finger  
Together we walk out as one  
No lonely nights, broken promises or fights will  
Return anymore

I remember a time I believed I was fine  
But inside my heart broke down in two  
Something inside starts to burn like a fire  
And I knew it was you

-CHORUS-

(play as above)

We re broken and damned  
But together we ll find a way  
And no longer shall hell await  
We will seek all the light in the day  
Cause forever our love will breathe

-SOLO-

-CHORUS-

(play as above)

We re broken and damned  
But together we ll find a way  
And no longer shall hell await  
We will seek all the light in the day  
Cause forever our love will breathe

**Eb Cm G# Bb**  
Ohohohohohoh.....
