I ve searched high and low for the tab for this song and have yet to find it, so I decided I d tab it out myself. The tuning is a full step down which was the thing that was getting me the most aggravated when I was trying to play it in standard. Anyways, enough talk, here ya go.

B7sus4: xx2202

Intro:

Verse 1:

Em **D** **Em** **Bm7**
There s a monster that lives ûneath your bed, Oh for crying out loud

Em **D** **C** **D**
it s a futon on the floor, He must be flat as a board

Em **D** **Em** **Bm7**
There s a creature that lurks behind the door

Em **D** **C** **D** **Intro**
Though I ve checked there 15 times, When I leave then he arrives Every night

Verse 2:

Tell the monster that lives ûneath your bed
To go somewhere else instead, Or you ll kick him in the head

Tell the creature that lurks behind the door
If he knows what s good he won t come here anymore

Em **Bm7** **D**
Cause you ll kick in his butt at the count of four

Chorus:

G **D** **G** **Bm7**
Goodnight demon slayer, goodnight

G **D** **C** **D**
Now its time to close your tired eyes

G **D** **C** **D**
There are devils to slay and dragons to ride If they see you coming, hell they better hide

G **D** **C** **D**
Goodnight, goodnight, goodnight
