Verse:

Life takes love  
Breaks almost everyone  
I ve tasted the color of sunshine  
Lives will destroy  
Kill all the joy  
I m sorry but  
I was just a boy

Chorus:

And I need the fire  
And I need the smoke  
My face in a smirk  
Cuz life is a joke  
The sun seems to shine  
On everyone I know  
So why am I in the shadows  
Cuz I m a joke

Solo:

No fire now  
Life takes somethin away  
Bloody fingers yet  
I have nothin to say  
No diving gray?  
Will take the pain away  
Hope I make it clear  
Hope I get free some day

Chorus:

Cuz I need the fire  
And I need the smoke  
My face in a smirk  
Cuz life is a joke  
The sun seems to shine  
On everyone I know  
So why am I in the shadows  
Cuz I choke
