Em **C** **Em** **C**
Blown like the wind, restless again

My only friend has gone away
Em **C** **Em** **C**
Washed like the tide but I m still alive
Em **C** **G** **D**
I m gonna drive all night long

G **C** **G** **C**
This is crazy now, I ll fill the space somehow
 G **C** **Em** **D**
If there were some way to get through
 G **C** **G** **C**

 G **C** **Em** **D**
I can t walk away from you

Em **C** **Em** **C**
Shaken like a leaf, sharpened like a reef
Em **C** **G** **D**
All of my senses need relief
Em **C** **Em** **C**
Looking out to sea, I still believe
Em **C** **G** **D**
That you and I were meant to be

This is crazy now, I ll fill the space somehow
 G **C** **Em** **D**
If there were some way to get through
 G **C**
This is crazy now (like a finger paint)
 G **C**
Fill the space somehow (smearing in the rain)
 G **C** **Em** **D**
I can t walk away from you (wash it all away)
