

Inside Out
Vonray

This is a fantastic song. I m pretty sure on all the chords. The chords are all at the bottom.

Intro: **Cadd9** | **Dsus4** | **Em7**

Cadd9 **Dsus4** **Em7**
I donâ€™t believe all the things I hear
Cadd9 **Dsus4**
All these things I hold so dear
Em7
I wonâ€™t take for granted

I always thought that youâ€™d be there
But now it somehow seems unfair
Youâ€™re asking me to take it

```
D          Cadd9
Do you see the danger
D          Cadd9
Creeping up beside
```

Em7 **G**
 â€˜Cause youâ€™re turning me inside out
D **Asus4**
 Youâ€™re breaking all these promises we made
Em7 **G** **D**
 Maybe time will make it right

A picture taken yesterday
Slowly starts to fade away
Thereâ€™s got to be an answer

There's no use being afraid to see
What my life was meant to be
Could take me so much higher

Do you see the danger
Creeping up behind

â€”Cause youâ€™re turning me inside out
 Youâ€™re breaking all these promises we made
 Maybe time will make it right
 Yeah, youâ€™re turning me inside out
 Itâ€™s taking all my strength and will to stay
 Maybe time will make it right

(solo) (same chords as verse)

Do you feel the danger
Creeping up beside

(broken down chorus)

Youâ€™re turning me inside out
Youâ€™re breaking all these promises
Breaking all these promises

Cause youâ€™re turning me inside out
Youâ€™re breaking all these promises we made
Maybe time will make it right
Yeah youâ€™re turning me inside out
Itâ€™s Taking all my strength and will to stay
Maybe time will make it right
