

**Mystery**

**Vous Worship**

[Verse 1]

Oh, the wisdom of the Father s heart  
Oh, the depths of Your unfailing love  
Oh, the comfort in my Savior s arms  
That I would run to where You called me

[Chorus]

And I know the future  
Is still unseen  
The depths of Your wisdom  
No mind conceived  
But I find my footing  
In mystery  
The hidden things  
What s yet to be  
Revealed in me
