A
I was going hungry and lazy here
C#m
When you stopped me in my tracks
D **B** **D** **A**
I was going crazy; I was desolate and ready to kill
A
But maybe I believe in another place
C#m
If you go, you won t look back
D
And anywhere you go you know
B **D** **A**
The ugliness will follow you still

F#m
And you break
A
This into waste
D
We are desperate, lonely and underpaid
A
Im a bitter man, I know
B **D** **A**
But listen, honey, you re no fun

A
I will never live like you
C#m
But you will probably die like me
D
Oh lovelessly, an ending

A

Full of god, and god makes plenty.

A

You will go on searching

C#m

For someone to keep you killing

D

If you love me, won t you leave me?

D

cause I want to settle down

A

First you

C#m

Fade into the background

Bmin

Wouldnâ€™t even call me

D

Had the nerve to leave me

A

Go ahead and love me

C#m

Im a hungry man

D

B#m

Ever since you went away

A

First you

C#m

Fade into the background

B#m

Wouldnâ€™t even call me

D

Had the nerve to leave me

A

Go ahead and love me

C#m

Im a hungry man

D

B#m

Ever since you went away

A

I don t know if you ve got another place

C#m

Where you bury all these things

D

B

I don t know if you can see the shadow

D

A

That you cast on the ground

A

But maybe I can see through the lonely face

C#m

Loose your feet and loose your waist

D

B

Anywhere you are, you know the freedom there

D

A

Is dragging you down

C#m

A

And you break me into lines

D

We can shake our bodies

And wreck our minds

A

Im a bitter man, I know,

B

D

A

But listen, honey, you re no fun

A

I will never love like you

C#m

But you will probably hate like me

D

Oh lovelessly, and empty

A

Full of god, and god makes plenty.

A

You will go on searching

C#m

For someone to keep you killing

D

If you love me, won t you leave me?

D

cause I want to settle down

A

First you

C#m

Fade into the background

Bmin

Wouldn t even call me

D

Had the nerve to leave me

A

Go ahead and love me

C#m

Im a hungry man

D

Bmin

Ever since you went away.

A

First you

C#m

Fade into the background

Bmin

Wouldn't even call me

D

Had the nerve to leave me

A

Go ahead and love me

C#m

Im a hungry man

D

Bmin

Ever since you went away.

A

C#m

And oh, don't you wanna love?

D

And don't you wanna feel?

B

D

I remember, you were reckless, you were hungry

A

C#m

You were real, you were so uptight

D

Listen, I don't mind

B

D

A

I feel like I'm watching a car crash.

A

C#m

And oh, this is how it ends

D

You will watch your friends

B

Take a moment, take a nothing

D

A

Then they'll put it in again.

A

C#m

This is how we are

D

This is how we are

B

D

We are young and stupid

A

And raised by wolves

A

A

I will never live like you do

C#m

I will never love like you do

A

I will never live like you do

C#m

I, I will never love like you do

A

I will never live like you do

C#m

I will never love like you do

A

I will never live like you

C#m

I will never love like you

A

I will never live like you do

C#m

No, I will never love like you

A

I will never live like you

C#m

Say I, I will never love like you do

A, C#m, end on A
