Things I Could Do
By Wade Bowen

Capo 2

G **C** **D**
There s a lot of things, that I could do tonight
G **C** **D**
Call up some old friends, just to see if they re alright
G **C** **D**
I could read a book, maybe somethin by Louie Lamore
C **D** **G**
Oh but I don t feel like doin that at all
G **C** **D**
I could play guitar, maybe write a song
G **C** **D**
Somethin really inspirational that everybody could sing along
G **C** **D**
I could build a fire, and watch it burn all night long
C **D** **G**
Oh but I don t feel like doin that at all

Chorus:

C
Yea I feel like lovin you
G
I feel like holdin you close
D
I feel like lookin in your eyes
G
Baby you re the one I want most
C
So why can t I have you anymore
G **G/F#** **Em**
Why did you have to leave
C **D**
Why can t I pick up and just move on

I could smoke a cigarette, maybe drink a beer
Turn on the radio, see if they re playin somethin I wanna hear
Try to find me a woman but everything just seems so hard
Cause I don t feel like doin anything at all

Chorus

There s a lot of things, that I could do tonight
But I m so heart broken doin nothin just feels so right
And I know it may sound crazy to just sit and listen to the rain fall
Cause I don t feel like doin anything at all

No I don t feel like doin anything at all
No I don t feel like doin anything, anything at all
