Songs About Trucks

Written and performed by Wade Bowen

Standard tuning

Intro

D

Em **D**

Whatever happened to a feeling bad song

Em **D**

Lost the best damn woman that you ever had song

G

Its all four wheel drives and jacked up tires

F#m

Rolling out of them speakers

Em

Before a trip down memory lane at night

A

I need something a little deeper

Chorus

D

Than s10 chevys or f150s

Bm

Flat bed dodge ram dirt road ditties

G

Head lights tail lights daddy s eldorado

D

A

Dashboards ditches or silver silverados

D

Down by the lake down by the river

Bm

G

Mud bank no thanks I m just gonna sit here and miss her

Em

So mister here s my twenty bucks

A

D

don t play no songs about trucks

Em

D

Most nights I don t really mind em

Em

with the windows down

D

hell I might even rewind em

G

but since my heart got broke

F#m

I don t want to drive around

Em

just want to let this heartache soak

A

Up a sadder sound

Chorus

D

Than s10 chevys or f150s

Bm

Flat bed dodge ram dirt road ditties

G

Head lights tail lights daddy s eldorado

D

A

Dashboards ditches or silver silverados

D

Down by the lake down by the river

Bm

G

Mud bank no thanks I m just gonna sit here and miss her

Em

So mister here s my twenty bucks

A

D

don t play no songs about trucks

or trailers or tailgates or tractors

Bm

I m gettin drunk and not in a pasture

G

Em

this bar stool is right where I ll stay stuck

G

yeah I ll have another beer

A

But I don t want to hear

D

No songs about trucks

Bm

no no no

G

no more songs about trucks

Em

D

no no no no no
