

To Live Is To Fly
Wade Bowen

Great song by a great artist. Im pretty sure this is 100% accurate but ya never know!

Standard Tuning, NO CAPO

Intro: **G D G D D A G D** X2

G D G D
Days up and down they come, like rain on a conquer drum
D A G D
Forget most of the memories saw, but dont turn them away.
G D G D
Everything is not enough, and nothing is too much to bare
D A G D
Where youve been its good and gone, all you keep is the getting there

G D G A
Oh, to live is to fly, both low and high
D A G D
Shake the dust off of your wings and the sleep out of your eyes.

Intro X1

G D G D
We all got holes to fill, them holes are all thats real
D A G D
Some fall on you like a storm, sometimes you dig your own
G D G D
The choice is yours to make, time is yours to take
D A G D
Some sail upon the sea, some toil upon the stone.

G D G A
Oh, to live is to fly, both low and high
D A G D
Shake the dust off of your wings and the sleep out of your eyes.

Intro X1

G D G D
Goodbye to all, my friends, its time to go again
D A G D
Think of all the poetry and the picking down the line
G D G D
Ill miss the seas to bear, the bottle is low and the travel is clear
D A G D
But it dont pay to think too much on the things you leave behind.

G D G A
Oh, to live is to fly, both low and high

D	A	G	D
Shake the dust off of your wings and the sleep out of your eyes.			
D	A	G	D
Shake the dust off of your wings and the sleep out of your eyes.			

Intro X1
