

To Live Is To Fly
Wade Bowen

Great song by a great artist. Im pretty sure this is 100% accurate but ya never know!

Standard Tuning, NO CAPO

Intro: **A E A E E B A E** X2

A E A E
Days up and down they come, like rain on a conquer drum
E B A E
Forget most of the memories saw, but dont turn them away.
A E A E
Everything is not enough, and nothing is too much to bare
E B A E
Where youve been its good and gone, all you keep is the getting there

A E A B
Oh, to live is to fly, both low and high
E B A E
Shake the dust off of your wings and the sleep out of your eyes.

Intro X1

A E A E
We all got holes to fill, them holes are all thats real
E B A E
Some fall on you like a storm, sometimes you dig your own
A E A E
The choice is yours to make, time is yours to take
E B A E
Some sail upon the sea, some toil upon the stone.

A E A B
Oh, to live is to fly, both low and high
E B A E
Shake the dust off of your wings and the sleep out of your eyes.

Intro X1

A E A E
Goodbye to all, my friends, its time to go again
E B A E
Think of all the poetry and the picking down the line
A E A E
Ill miss the seas to bear, the bottle is low and the travel is clear
E B A E
But it dont pay to think too much on the things you leave behind.

A E A B
Oh, to live is to fly, both low and high

E	B	A	E
Shake the dust off	of your wings and the	sleep out of your	eyes.
E	B	A	E
Shake the dust off	of your wings and the	sleep out of your	eyes.

Intro X1
