Tuning: Standard

capo 2nd fret

Bb **F** **Gm** **F**
I m sittin here surrounded by people I know
Eb **Bb** **F**
The beer s cold and the music s good and loud
Bb **F** **Gm** **F**
That used to be enough to put a smile on my face
Eb **F** **Bb**
But tonight I just feel lost in this crowd

Bb **F**
There s a brunette on the dance floor
Gm **F**
That smiled a time or two
Eb **Bb** **F**
So I got up and asked her for a dance
Bb **F**
But when she put her arms around me
Gm **F**
And I held her I knew
Eb **F** **Bb**
It was just too soon to take another chance

Eb **F** **Bb**
Cause I m still dancin with you
Eb **F** **Bb**
I know we said we were through
Eb **F**
But I keep holdin on
Bb **Bb/B** **Bb/A** **F** **Eb**
Letting go is just too hard to do
Eb **F** **Bb**
Even when I m holding someone new
Eb **F** **Bb**
I m still dancin with you

And so on...

When the song was over, I held on a little longer
Deep inside I knew that it was wrong
I could hold her in my arms for the rest of the night
But I d just be leading her on

Cause I m still dancin with you
I know we said we were through
But I keep holdin on
Letting go is just too hard to do
Even when I m holding someone new
I m still dancin with you

Even when I m holding someone new
I m still dancin with you
