Verse 1

D **G**
I drove around last night, and tried with all my might
D **A**
To leave the past behind, cause you stayed on my mind
D **G**
So I stopped for a drink, I never stopped to think
D **A**
That it wouldn t work, It just made it worse
G **A**
So I came on back home, I hadn t changed a thing
G **A**
And sat here all alone, missing you and wondering

Chorus

D **G**
Where do I go to start all over
D
When theres no place to hide
Bm **A**
From your memory
D **G**
Where do I go to start all over
D **Bm** **A** **D**
When in your arms is where I won t be

Verse 2

D **G**
I d take some things and leave, If the change of scenery
D **A**
Would do me any good, Like I know it should
D **G**
I d still be missing you, What goods a different view
D **A**

To a broken heart, We d still be apart

G

Someday I ll find the answer, To this mystery

But tonight the same old question, Just keeps on haunting me
