Verse 1
D
I drove around last night, and tried with all my might
To leave the past behind, cause you stayed on my mind
So I stopped for a drink, I never stopped to think
 That it wouldn t work, It just made it worse
 So I came on back home, I hadn t changed a thing
And sat here all alone, missing you and wondering
Chorus
D
Where do I go to start all over
When theres no place to hide
Bm
From your memory
Where do I go to start all over
             \mathbf{Bm}
When in your arms is where I won t be
Verse 2
 I d take some things and leave, If the change of scenery
Would do me any good, Like I know it should
 I d still be missing you, What goods a different view
```

To a broken heart, We d still be apart

G

Someday I ll find the answer, To this mystery

But tonight the same old question, Just keeps on haunting me
