

What Baking Can Do
Waitress (Musical)

F#

Make it work
Make it easy
Make it clever
Craft it into pieces

B

Make it sweet
Crimp the edges
Or make it sour and serve with lemon wedges

F#

Even doubt can be delicious
And it washes off of all the dirty dishes

B

When it s done I can smile

D#m

It s on someone else s plate for a while

G#

I ll place it on display

B

C#

And then I ll slice and serve my worries away

F

I can fix this

Am

I can twist it into

Dm

Sugar, butter covered pieces

C#

C

Never mind what s underneath it

Am

I have done it before

Dm

I ll bake me a door

C A

Dm

F#

Mama, it s amazing what baking can do

F#

Make it up
And surprise them
Tell them all my secrets
But disguise them

B

So they dance on the tongues

Of the very people that they re secrets from

D#m

Make it soon

Make it better

G#

Though better never lasts forever

B

I ll make it small

C# F# C#

So it fits even this

B

Even now

C# F# B

Even as the walls come tumbling down

C# F# B

Even as I can t stop remembering how

C#

Every door we ever made

F# B

We never once walked out

G#m

B

C#

Something I never got the chance to ask her about

D#m

F#

So with flour on my hands

B C# F Am

I ll show them all how goddamn happy I am

Dm

Sugar, butter, flour

G

Don t let me down

F

Am

Let s see the next amazing thing
