

Grow
Wake Owl

It s a very easy song.
Use barred chords in chorus and bridge parts.
Play E chord normal way in verse. not barred way.
Its sounds better.And guitarist plays that way.

Intro
E

Verse

E **G#m**
Look around, saw the way that we hit the ground

F#m **E**
and tell me your not eager to get out

E **G#m**
They way were down, it gets harder to escape

F#m **E**
and how if we want to runaway, lets go now

Bridge (x2)

A **B** **C#m** **E**
Oooooo Oooooo Oooooo Oooooo

Chorus

A **B** **C#m** **E**
By the time I get ahead I feel some darkness reign,

A **B** **C#m** **E**
These memories they call me back to them again and again,

A **B** **C#m** **E**
We go falling slowly not break too fast, too fast,

A **B** **C#m** **E**
They know our world s so strong for it will outlast all that

E

Verse
