

Wild Country
Wake Owl

Intro: **E Fm D**

Fm **E** **D**
What will become of the truth when we keep it in
Fm **E** **D**

Fm **E** **D**
what wasn't learned from mistakes, we will make them

E **Fm** **D**
Maybe this is my heart and maybe it is yours
E **Fm** **D**
burns away the eyes peering in our doors

Fm **E** **D**
If I want to leave I will, stand on my feet I do
Fm **E** **D**
only takes these words you never believe are true
Fm **E** **D**
I'm never gonna chase something, it's a total waste running
Fm **E** **D**
after what they take in hundreds, look at what they praise, nothing
