

Got It All Wrong
Wakey!Wakey!

Capo 3

It s been long enough that I can think of you

It s been long enough that I can speak to you

But I don t really think that you want to anymore

I could ve done much better for you

Yeah I could ve done much better for you

But you could ve done much better for me I m sure

But what if we got it all wrong, and what if we got it all wrong?

What if we got it all, what if we got it all wrong?

What if we got it all wrong, and what if we got it all wrong?

What if we got it all, what if we got it all wrong?

So we tried our best and it wasn t enough

And yeah we tried so hard that we fucked it up

And I understand, yeah I understand it, love

And it s gotta be hard what you re going through

And I get what you say but it s what we do

I got us here and I guess what s done is done

But what if we got it all wrong, and what if we got it all wrong?

What if we got it all, what if we got it all wrong?

What if we got it all wrong, and what if we got it all wrong?

What if we got it all, what if we got it all wrong?
