

No Ulterior Motives
Walk off the Earth

Walk Off The Earth - No Ulterior Motives
No Capo

Intro:
G Cadd9 D

G Cadd9 D G Cadd9 D
No ulterior motives all my focus on you

G Cadd9 D G Cadd9
D
Well I can t hide the way I m feeling girl who s kidding who, yeah

Verse 1:

G Cadd9 D
Well we just met but girl there s something that I like
G Cadd9 D
I ll get right to the point, I will not waste your time, I said,
Am Em Am C
D
I d like to get to know you inside out and backwards, then I ll know

G Cadd9 D
I like your smile but I love the way you laugh
G Cadd9 D
I keep on thinking that I know you from my past, I said,
Am Em Am C
D
I m giving what you need, well I should gain control but I can t stop thinking

Chorus:

Cadd9 G
Girl I wanna drink from your cup
Cadd9 G
You got me going girl, I can t get enough
Cadd9 G
Wanna taste you on my lips, girl I m in lust
Am D
You got me going, you got me going

G Cadd9 D G Cadd9 D
No ulterior motives all my focus on you

G Cadd9 D G Cadd9
D

Well I can't hide the way I'm feeling girl who's kidding who, yeah

Verse 2:

G **Cadd9** **D**
I like the way you talk, I love the words you choose
G **Cadd9** **D**
You keep surprising me with all your thoughts and views, I think,
Am **Em** **Am** **C**
D
Is she too good to be true? Cause I don't think I ever met a girl like you

Bridge:

Em **D** **C** **G**
And I won't wait or waste your time
Em **D** **C** **G**
And I'll tell you what's on my mind
Em **D** **C** **G**
I need you and you need me
Am **C** **D**
Well I am here to fulfill all your needs

Chorus:

Cadd9 **G**
Girl I wanna drink from your cup
Cadd9 **G**
You got me going girl, I can't get enough
Cadd9 **G**
Wanna taste you on my lips, girl I'm in lust
Am **D**
You got me going, you got me going
G **Cadd9** **D** **G** **Cadd9** **D**
No ulterior motives all my focus on you
G **Cadd9** **D** **G** **Cadd9**
D
Well I can't hide the way I'm feeling girl who's kidding who

Outro:

G Cadd9 D X4 and end on **G** :)

This is my first tab lol i hope its right, it sounds mostly accurate ;D
