Walk off the Earth**

Sunburnt hand

Let me know what you think! I m always open to corrections :)

C

C

i want to bury you up to your neck in the sand

G

exposing only your head and one hand

C

we ll find a friend who will bury me too

C

F

so we ll stand in the sand holding hands just me and you

C

G

C

so we ll stand in the sand holding hands, me and you

C

the crabs will arrive and they ll pick at your face

G

but I ll whistle so they ll pick at mine in your place

C

then the gulls will arrive, eat the crabs for their food

C

F

so we ll stand in the sand holding hands just me and you

C

G

C

so we ll stand in the sand holding hands, me and you

G

F

G

F

if the tide takes me away, if the tide takes you away

G

F

C

if the tide takes us away, we ll meet here

G

in the sand

C

G

never fear, just look to the sand

C

if the waves come in, well we ll both surely drown

G

but to stay here with you makes me hold my ground

C
lets just make sure we re buried far enough up the beach

C **F**
to stand in the sand holding hands you and me
C **G** **C**
yeah we ll stand in the sand holding hands you and me

G **F** **G** **F**
if the tide takes me away, if the tide takes you away

G **F** **C**
if the tide takes us away, we ll meet here

G
in the sand

C **G**
never fear, just look to the sand

C **G**
ill be here just look to the sand

F **G** **C**
and my sunburnt hand
