

Anna Sun

WALK THE MOON

These are only the electric rhythm guitar chords. I think it s pretty accurate;
at
any rate it s a mixture of these chords, for certain.

[Verse 1]

Screen falling off the door / Door hanging off the hinges

My feet are still sore / My back is on the fringes

We tore up the walls / We slept on couches

We lifted this house / We lifted this house

Fire-crackers in the east / My car parked south

Your hands on my cheeks / Your shoulder in my mouth

I was up against the wall on the west, mezzanine

We rattle this town / We rattle this scene

[Hook]

O, Anna Sun!

O, Anna Sun!

Bb

What do you know? This house is falling apart

What can I say? This house is falling apart

Eb **Gm**

We got no money, but we got heart

F

We re gonna rattle this ghost town

This house is falling apart

Gm/F (the ooh bit)

[Verse 3]

Live my life without

Station wagon rides

Fumbling around the back

Not one seatbelt on

Wait for summertime

Coming up for air

Now it s all awash

Now it s all awash

Live my life without

Coming up for air

Now it s all a wash

I want everyone

Racing down the hill

I am faster than you

Wait for summertime

Wait for summertime

Bb

Gm

O, Anna Sun!
