WALK THE MOON

Capo 4

G **G**
I saw a glimpse, a shimmer a shadow
G
Or something I had once
Em **C**
But since lost and now I
C **D**
I ve got a feeling that I m not complete anymore

Em
Don t even tell me where we are going
D
Hands over my eyes, hands over my eyes
C
Don t even tell me where we are going
D **G**
Just walk, just walk by my side

G **G**
It starts with a glimpse, a shimmer a shadow
G
Or something I had once
Em **C**
But since lost and now I
C **D**
I ve got a feeling that I m not complete anymore

G
The salt in my eyes
D
As I clear the border
Em
Imaginary lines
D
Shatter & shimmer
Em **C**
I get to you to ask you a question
Em **D**
I get to you to find out for certain
